Project Description: Design and build of R-CISC website

Description	Cost
Stock Photos	\$ 75
68 Hours of Work (at \$50 an hour)	\$ 3,400
Total	\$ 3,475

Brian and Greg,

Thank you for your business, you are both a pleasure to work with. I have created a Google Doc with a more detailed description of my hours that can be viewed [here](#). If anything needs correction or is not to your satisfaction, please let me know. I am also happy to set up a plan to handle future updates for the website and the blog.

Sincerely yours,

Christa Clark
